Time and manner of payment of benefit

39. Any benefit may be paid by means of cash, cheque or payable order or pension order or as the Board may direct, either generally or in respect of any benefit, or of any beneficiary, and periodical payments shall be made at such intervals as the Board may direct, either generally or in respect of any class of such payments or of any beneficiary.

Information to be given when obtaining payment

40. A beneficiary and any person to whom benefit is paid on behalf of a beneficiary, shall furnish at such times as the Director may require such certificates and other documents, and such information or facts relating to the receipt of disbursement thereof, as may be specified (either as a condition on which any sum shall be paid or otherwise) by the Director.

Extinguishment of right to sums payable by way of benefit not within prescribed time

41. (1) The right to any sum payable by way of benefit shall be extinguished where payment thereof is not obtained within the period of 6 months from the date on which that sum is receivable in accordance with this section.

(2) In calculating the period of 6 months for the purposes of subsection (1), no account shall be taken of—

(a) any period during which the Board has under consideration any representation that a payable order or cheque in respect of the sum has not been received or had been lost, mislaid or stolen;

(b) any period during which the beneficiary is for the time being unable to act by reason of any mental incapacity, subject to the qualifications that the total period disregarded on account of such inability to act shall not exceed 1 year; or

(c) any period during which the determination of any question as to such extinguishment is pending.

(3) For the purpose of this section, a sum payable by way of benefit shall, subject to subsection (4), be receivable—

(b) in any other case, the date on which the sum became payable.

(4) In determining when a sum is receivable under subsection (3), the following provisions shall apply—

(i) on the later date, or

(ii) on the date which is 6 months after the appropriate receivable date, whichever is earlier;

(b) if a beneficiary proves that through no fault of his own he has not received the payable order or cheque or such other form of payment as may be sued, the sum shall be receivable—

(i) on the date determined in accordance with subsection (3) on the basis of the issue of any further payable order or cheque in respect of that sum, or

(ii) on the date which is 6 months after the receivable date determined in accordance with subsection (3) on the same basis,

whichever is earlier.

(5) Any sum payable by way of benefit to a beneficiary who is for the time being unable to act shall be receivable in accordance with this section, notwithstanding his inability to give a receipt therefor.

(6) A person who would be entitled to benefit but for the operation of this section shall be treated as if he was entitled thereto for the purpose of any rights or obligations under the Act or any regulations made thereunder (whether of himself or any other person) which depend on his being so entitled, other than the right to payment of that benefit.

Beneficiaries to notify changes of circumstances

42. (1) A beneficiary shall inform the Director of any change in his circumstances affecting his continued right to receive benefit or the rate at which the benefit is payable, within 1 week of the occurrence of the change.

(d) the Board shall not appoint a person under the age of 18 years to act under this section.

(3) A person appointed under this section to act for a claimant or beneficiary may exercise on behalf of such claimant or beneficiary any right or power which such claimant or beneficiary may be entitled to exercise by or under the Act or regulations made thereunder and may receive and deal with any sum payable by way of benefit on behalf of such claimant or beneficiary.

(4) Anything required to be done under or by the Act or regulations made thereunder to a claimant or beneficiary may be done as respects a claimant or beneficiary who is unable to act or is a child to the person appointed under this section to act.

(5) The receipt of a person appointed under this section to act for a claimant or beneficiary shall be a good discharge to the Board and the Fund for any sums paid to such person on behalf of the claimant or beneficiary.

Payment on death

(2) Subject to subsection (7), any sum payable by way of benefit which is payable under an award on a claim proceeded with or made under subsection (1) may be paid or distributed to or amongst persons claiming as personal representatives, legatees, next-of-kin or creditors of the deceased, and the provisions of section 42 shall apply to any such payment or distribution.

(3) The receipt by any such person who has attained the age of 18 years shall be a good discharge to the Board and the Fund for any sum paid in accordance with this section.

(4) Where the Board is satisfied that any such sum or part thereof is needed for the benefit of any person under the age of 18 years, the Board may obtain a good discharge thereof by paying the sum or part thereof to a person over that age (who need not be a person specified in this section) who satisfies the Board that he will apply the sum so paid for the benefit of the person under the age of 18 years.

(5) Subject to subsection (7), any sum payable by way of benefit in respect of a deceased person, payment of which he had not obtained at the date of his death, may, unless the right thereto was already extinguished at that date, be paid, or disbursed amongst such persons as are mentioned in subsection (2), and the provisions of section 41 and of subsection (7) shall apply to any payment or distribution, but, for the purpose of section 41(1), the period of 6 months shall be calculated from the date on which it was receivable by the deceased, and for these purposes the reference in section 41(3)(b) to the date on which the sum became payable shall be construed as a reference to the date of application to the Board made in accordance with subsection (6).

(6) Subsections (2) and (5) shall not apply in any case unless written application for the payment of any such sum is made to the Board within 6 months from the date of the deceased's death, or within such longer period as the Board may allow in any particular case.

(7) The Board may dispense with strict proof of the title of any person claiming in accordance with this section.
